

Accepted Recyclables List

Please remember **NO plastic bags** and **NO plastic liners** in your mauve container.

Plastic bags are the biggest contaminant in our recycling program. Plastic bags and liners can damage the automated equipment at the Material Recovery Facility where all of your recyclables are sorted. If you have plastic bags to recycle you can take them to AJ's, Albertsons, Basha'a, Fresh & Easy, Fry's Food and Drug, Lowe's, Safeway, Smart & Final, Sun Flower Market, Target, Trader Joe's or WalMart.

Please use your mauve recycling container ONLY for the items on our curbside recyclables list.
